XII (CBSE) | 2016-2107   8.90 CGPA

RYAN INTERNATIONAL SCHOOL, LUDHIANA

X (CBSE) | 2014-2105   8.80 CGPA

PROJECTS

ANALYSING DATASET OF FIFA 2019 DECEMBER 2019

The analysis was done using tableau prep and ms excel. Tableau helped a lot for cleaning the data set eg:- removing all the null values various plots were used to demonstrate the data and finally a dashboard was created which was linked to 7-8 excel sheets used to analyze all the players and their ratings.

SCIENTIFIC CALCULATOR USING PYTHON MARCH 2019

The project was made using python language. under this i developed a fully functional scientific calculator. It was able to perform basic mathematical operations eg:- logarithmic, exponential and trignometric etc.

MEDICINE MANAGEMENT SYSTEM NOVEMBER 2018

The project was made using C language. under this i developed an interface through which a user can fulfill all the requirements necessary for the management of medicines at a shop. eg:- Add/remove medicine from the database, search wether a medicine is available or not? etc.

IPL MANAGEMENT SYSTEM || MARCH 2018

The project was made using C++ language. Under this i developed a code through the management of the Indian Premiere League results and Fixtures was made very simple. eg:- add/remove teams, man of the match, man of the series etc.

CERTIFICATIONS

- Data Science using Python, Coursera
- Coding Mafia at Coding Club India
- Crash Course on Python, Coursera
- Object Oriented Programming, EDX

ACHIEVEMENTS

- Attended National Integrated Camp of National Cadet Corps At Ropar
- Attended Blood Donation Camps at LPU
- Awarded 1st Prize in inter-school cricket championship

HOBBIES

- Gymming
- Cricket
- Travelling
- Listening music
- Coding

PERSONAL INFORMATION

- Date of Birth : 25th march 2000
- Father's Name : Mr. Dheeraj Ahuja
- Nationality : Indian
